Dear Goodwill and Growth for Africa (GAGA),

KwaCare would like to sincerely thank you for the kind and generous donation of R2500.00. Your donation has been used for our Education Programme – KwaEd.

There are many children in the community in which we work whose parents/guardians cannot afford to pay their school fees or buy their school uniforms or stationery. Because of this, these children are unable to attend school. Through KwaEd, KwaCare pays the children's school fees and buys their uniforms and stationery to enable them to attend school. This project also offers mentoring to the children, enabling us to connect with them on a personal level. We know that an education will equip these children with the opportunity to achieve their goals in life and reach their full potential. Education will provide them with a platform to lift themselves and their families out of poverty in the future.

Your donation has been used to help buy school uniforms and to help pay for school fees for the children who are on the 2012 KwaEd Programme.

Through your donations, KwaCare has been able to bless the lives of many children and their families. Our goal is to help people by showing them they are not forgotten and to help them change their lives, families and communities for the better. Your donation has helped us to fulfill our vision.

Many Thanks,

Mondli Myeza
Managing Director
